

By virtue of the Regulations on the Protection of Personal Data, by completing this form you authorize to have the personal data provided incorporated into the database managed by PROMETOUR USA INC.

The purpose of this process is to provide the services required by students and / or their legal guardians and teachers within the program "Connecting Classrooms"-see description (1)-. These data will only be transmitted to third parties for the purposes described therein and will be kept as long as it is essential or legitimate for the purpose for which they were intended.

We also inform you that by completing this form, you authorize us to send you information about our training program and other materials of interest, via email.

In any case, you may indicate to revoke the consent given, as well as exercise the rights to access, rectify, delete, oppose and/or limit the processing of, as well as the right to transfer of the data. These requests must be made by email to info@prometour.eu

Participants must respect the rules of conduct established to share and generate image and sound files, which are the following:

The image and sound files may not have discriminatory content towards any group based on race, sex, class, or condition, likewise any audio or image that deemed offensive towards any person or group may not be reproduced. The use of images or sounds of sexual, harassing, or discriminatory content is totally prohibited.

- (1) Project description Connecting Classrooms is a virtual exchange program organized by Prometour USA Inc. Students will create thematic short videos **from their country to share with the students of their virtual** exchange partner, who in turn will also share their videos with the former. Within this project, Prometour offers a web platform where one may share the videos and activities carried out by the partnered schools, always supervised by the teachers of both schools participating in the project.
